

2018-2019 Family Information Supplement for non-Canadian international students

Instructions and Required Information

In order to finalize your financial aid award, you must complete this Family Information Supplement (FIS) and submit it to Undergraduate Financial Aid by upload, fax, or mail, using the information in the form's header. Once your award has been finalized, we will mail a new award letter to you.

In addition to this FIS form, you must complete the online Biographic Questionnaire Application Supplement. The questionnaire helps us to determine whether any of Yale's endowed scholarships can fund your Yale Scholarship. Your responses will not affect the amount of aid you receive but may affect the University sources from which you receive aid. You can complete the online Bio Questionnaire at finaid.yale.edu/bio-questionnaire.

Student Effort

Any combination of term-time and/or summer employment, outside scholarships, student loans, and additional family resources may be used toward the Student Effort expectation. For more information, please visit finaid.yale.edu/award-letter.

International students are eligible for on-campus employment during the academic year. Outside scholarships may replace the Student Effort if the awards are merit-based. For more information, visit finaid.yale.edu/scholarships-and-grants.

To defer a portion of your costs until after you graduate, you can take advantage of education-loan opportunities. If you are thinking about borrowing, please visit finaid.yale.edu/loans to explore your available options. We recommend that you wait until you receive your financial aid award before you decide to borrow.

- I understand that I must notify Student Financial Services promptly and in writing of any changes in my financial circumstances and that such changes include: receipt of outside scholarships in any amount, changes in income or assets, and changes in the school or college enrollment status of myself or other family members. I understand that such changes may necessitate an adjustment to the Yale student's financial aid package.
- I understand that the student applicant may be given access to all information filed in support of this application for financial aid. I understand that it is the policy of Yale College to provide the following information to any donor or agency in support of the applicant's receipt of a scholarship or to Yale personnel in support of applicant advising: academic transcript, enrollment status, financial need and award, and information about the applicant's activities and interests in high school and at Yale. I further understand that all award notices are sent to the student.
- I understand that it is Yale College policy to refuse financial aid to any student who is in default on any federal or university loan, who has borrowed in excess of loan limits, or who owes a refund to the U.S. Department of Education, Yale, or any other institution. Further, I understand that if a student is found to be in default, to have borrowed in excess of the loan limits, or to owe a refund after being offered financial aid, the University will withdraw all aid immediately while continuing to hold the student responsible for any charges incurred. Students who falsely attest to their status in this regard may be subject to disciplinary action as well.
- I understand that I must complete all necessary application forms and that the University will withhold financial aid if these forms and any other requested information are not submitted by my last date of attendance during the 2017-2018 academic year.
