Certification Statement

- I certify that I will use any money I receive under a Title IV HEA loan, grant, work-study or scholarship program only for expenses related to my study at Yale.
- I certify that I do not owe a refund on any grant, am not in default on any loan, and have not borrowed in excess of the academic year or aggregate loan limits under the Title IV programs at any institution. I understand that it is Yale College policy to refuse financial aid to any student who is in default on any federal or university loan, who has borrowed in excess of loan limits, or who owes a refund to the U.S. Department of Education, Yale, or any other institution. Further, I understand that if a student is found to be in default, to have borrowed in excess of the loan limits, or to owe a refund after being offered financial aid, the University will withdraw all aid immediately while continuing to hold the student responsible for any charges incurred. Students who falsely attest to their status in this regard may be subject to disciplinary action as well.
- I understand that I must notify the Student Financial Services Center promptly and in writing of any changes in my financial circumstances, and that such changes include: receipt of outside scholarships in any amount, changes in income or assets, and changes in the school or college enrollment status of myself or other family members. I understand that such changes may necessitate an adjustment to the Yale student's financial aid package.
- I understand that the student applicant may be given access to all information filed in support of this application for financial aid. I understand that it is the policy of Yale College to provide the following information to any donor or agency in support of the applicant's receipt of a scholarship: academic transcript, enrollment status, financial need and award, and information about the applicant's activities and interests in high school and at Yale. I further understand that all award notices are sent to the student.
- I understand that I must complete all necessary application forms and that the University will withhold financial aid if these forms and any other requested information are not submitted by my last date of attendance during the 2019-2020 academic year.

NOTE: Read carefully all documents that you sign and verify closely all information that you provide in support of your application for loans and other forms of financial aid. Federal regulations require Yale University to report to the Inspector General of the U.S. Department of Education or other law enforcement officials any information that indicates that an applicant may have engaged in fraud or other criminal misconduct in connection with his or her application. Furthermore, as indicated by section 5301 of the Anti-Drug Abuse Act of 1988, if you are convicted of drug trafficking or possession, the court may deny your eligibility for Title IV student financial assistance.
